Summary:

I consistently deliver superb audio that brings a production to life. I have massive experience and all the kit needed. I've delivered on 150 TV Dramas and 19 Feature Films, working across 32 countries. I also recorded three US Number 1 Albums. I strive to bring out the best in everyone I work with and I love my job.

"Very simply - a dedicated professional! Alan is deeply passionate about his work and thoroughly enjoys working with a team. When you're on a windswept, rainy set in the middle of nowhere at some ridiculous morning hour, you can be sure Alan is the one with the biggest smile!" Director John Maidens MD, InterpreterNow
